

Assess candidates

Assess candidates using multiple assessments to provide a solid evidence base for your selection decision.

In this section, you will find guides on:

- **Pre-screening**, including:
 - **Reviewing the resume and application**, and
 - **Developing a shortlist**
- **Administering and scoring assessments**, including:
 - A **practical guide to interviewing**
 - A guide on **administering and scoring work sample exercises**
 - A guide on **administering and scoring psychometrics assessments**
- **Consolidating results and making selection decisions**
